Uncle Jack Lightfoot, colored, died Thursday and was buried Friday. He had passed his three

score and ten years. T. H. Bell has returned home from his trip in West Virginia. His friend, Ezra Griffith, re-

mained to transact further business. Children's day service was above the ordinary in excellence. Each child did his and her work well. The music was grand and a large audience enjoyed it throughout. The decorations

showed much taste. Misses Grace Pepper, Florence Armstrong, Mary Walton and Grace Thompson with Frank Erwin, Simeon Walton, Neal Humlong and Lee Black composed a fishing party from here last week. They were entertained at Wellsburg by friends of the parties.

There is enough material hereabouts to make a handsome showing in the Midsummer Magazine Number of the Pictorial Press, published annually by Mr. John Altmeyer, foreman of the BULLETIN office. Some views of people, places and things in the county are desired, and those who would like to be represented are invited to communicate with the publisher, submitting photo, and an estimate of the cost of engraving, part of which only is asked, will be cheerfully made.

A notable wedding took place Monday. The couple live near here and are Jacob White, aged about seventy years, and Rebecca Norton. It was the second marriage for the groom. He procured license for the event last fall, but Rebecca claimed he had never proposed. She finilly surrendered, however, to Jacob's mesmeric charms. We all join in congratulations and good wishes for their long and happy life.

Elder Clark, of the Mt. Carmel and Orange burg circuit, is assisting Elder Wightman in a

meeting at Hebron Church. They are having quite a pleasant meeting and a number of large dinings which the preachers no doubt enjoy, although it is a little early for spring chickens.

One of the oldest if not the very oldest church building in the county is in th's community. I is known as Lee's Creek Baptist Church. From this church the Beasley Church merged. Bro. Billy Vaughn preached at this church when young. I don't know whether it was on this creek or not that the Elder found two boys fish ing one Sunday morning and he thought to give them a gentle reprimand. He said to one of them, "Sonny, do you know what day of the week this is?" The boy paid no attention to him, but called to his pardner, "Say, Bill, Bill, here is an old sucker that don't know what day of the week it is." I surmise the parson rode on.

An increase of pension might possibly restore the equilibrium of some chagrined Republicans. Taylor and his minions have been condemned on all hands while the honor and fame of Goebel

grows brighter and brighter. Individuals and conventions should now have a care how they indorse Taylor, when the highest courts in the land have put the scal of con-

demnation upon him. "The mills of the gods grind slowly, but exceeding fine;" as witness the shame, ignominy and confusion that have overtaken the gang that erstwhile carried things with so high a hand at

Circulars Issued ! Announcing the Extension of the Brooksville Railroad to Johnson and West Liberty.

The Cincinnati and Licking River Railroad Co., with S. S. Puckett, President, Y. Alexander, Vice President, E. J Hunter, Secretary, and Floyd Hopkins, Treasurer, has issued a circular announcing that the company has purchased the Brooksville railroad and is about making contracts for building twenty-eight miles from Brooksville to Johnson Junction to connect with the Covington, Flemingsburg and Ashland railway, which the company has also acquired. They add: 'We expect to extend our line twenty miles further this season, from Hillsboro to Morehead, giving us seventy-five miles of road through one of the richest farmsections of Kentucky, heretofore without satisfactory railroad service. We wish to get 'in touch' with responsible contractors and will soon be in the market for twenty-eight miles of re-laying steel &c., also for locomotives, coaches and other equipment,"

Mr. Hunter will be in Brooksville soon, with surveyors, to decide upon the best route for the extension.

Secretary Gage issued a call on national bank depositories for the return to the treasury of \$5,000,000. The total amount to be withdrawn from depositories is \$25,364,500, the total of the old two per cents now outstanding.

HONEYW-D

On the Threshold of June,

Lovely June, almost, and no Hammocks to speak of sold yet, though we purchased heavier this Spring than we ever before dared to buy. The real Hammock weather is here at last, and we realize that if we expect to sell many this season extra inducements will have to be offered to move them along, consequently we clip something off the price of every Hammock in the house and mark them at figures that will surely interest you.

98 cents to \$3, and at all the between prices, too. There are Hammocks made to sell as low as 50 cents, but we don't keep 'em; it won't pay you to throw your good money away on such stuff. The Hammock we offer at 98 cents is strongly woven, full colored, has extra heavy stringers and is complete with pillow, while the one at \$3 is among the finest on the market this season-extra fancy weave, beautiful combination of colors.
